

Adult Safeguarding Executive Extraordinary Meeting HIGHLIGHTS

Meeting date: Monday 8 June 2020

Update from agencies (to include pressures now lockdown has been eased)

- Each agency gave an update on their current workload/ risks.

National Chairs Meeting

Is yet to take place an update was provided on the agenda items:

- Learning Disability
- London SAB lead referral
- National community staff – Pressure ulcer concerns.
- Mental Health – No rise in Safeguarding
- Patient on Patient has increased
- ADASS – Social Issues.

Current SARs – Status update

- The current SARs were discussed, and an update given to members.

Restarting of SSAB Subgroups – update

- Working towards meetings starting up again in July with the Delivery group and Health group.
- Need to try reinstating SAB meeting.
 - Agreed to try for June with Microsoft teams and provide an update to SAB members.
 - Meeting will be reduced to 1 hour.
- Frequency of the ASE Extraordinary meeting will move from fortnightly to monthly - members agreed.
- SSAB board manager will be making contact with the subgroup chairs to discuss/ agree next steps of reinstating their subgroup meeting.

Any other feedback or upcoming risks that we need to address

- SAB had received notification from an agency advising of deaths, that had taken place in a unit. Independent Chair will keep members advised when further information is received.
- Surrey Police are recruiting a prevent suicide officer.

AOB

- SAB will be publishing their annual report as planned.
