

Adult Safeguarding Executive Extraordinary Meeting HIGHLIGHTS

Meeting date: Tuesday 12 May 2020

Update from agencies on status of risk and workload

- Each agency gave an update on their current workload/ risks.

SSAB SAR

- The current SAR was discussed by the group.

Feedback on early data on safeguarding concerns - Adult Safeguarding and ASC MASH Activity report

- The escalation policy has been updated and was submitted for approval of ASE members, which was agreed.
- The escalation policy has been published on the SAB website.

Start-up of subgroups and board functioning

- Potential to reinstate the boards subgroups early June, giving the chairs flexibility to hold shorter and more regular meetings.
- It was suggested that meeting would take place by Microsoft teams where possible and be restricted to 1.5 hours per meeting.
- It is unlikely that the board meeting will take place in June due to COVID-19.
- SAB will investigate looking at providing an update to the wider SAB members via a webinar.

Any other feedback or upcoming risks that we need to address

- No upcoming risks were raised.
