

## Safeguarding Adults Review 'Aulia'

### Publication Statement

Following competition of the safeguarding adults review in relation to Aulia. The Surrey Safeguarding Adults Board has today published a learning document following the competition of partners action plans. Assurance work was also completed in the six months following to review and sign off the actions.

The SSAB are publishing this learning to share the work implemented by not just Surrey and Borders Partnership Trust (SABP) and Ashford and St Peters Hospital Trust (ASPH) but also the additional work that took place across all A&E acute trust departments in Surrey following the sad death of Aulia while a patient at Ashford and St Peters Hospital Trust.
